Teacher and Student Program
2017

Teacher Accreditation

LAZSTA is a NESA endorsed provider of professional development for the maintenance of accreditation at Proficient level.

Completing this program will contribute 60 hours of NESA Registered PD from the Australian Professional Standards for Teachers towards maintaining Proficient Teacher Accreditation in NSW.

Support

We thank the support of WorldStride Educational tours

Open to all year 9-12
students and teachers
Australia wide.

Friday 22 September
-Tuesday 10 October 2017

Opportunity

LAZSTA (Metropolitan South West Science Teachers Association) and iSTEM will again embark on an enrichment program that will see 56 teachers and students participate in the Space Academy Program at the US Space and Rocket Centre in Huntsville, Alabama.

This will be a once in a lifetime opportunity for teachers and students. Participants will be provided with opportunities for science enrichment and leadership development which will be supported with visits to science centres, schools and universities.

Check out the other iSTEM science
enrichment opportunities available at

www.istem.com.au

Advanced Space Academy

During this week-long program trainees are provided with hands on training as well as learning about the mental, emotional and physical demands faced by astronauts. Fields of study include Engineering, Space Technology and Aerospace Science.

Activities

The program will also include visits to attractions in Los Angeles, San Diego, San Francisco and a cultural visit to South Korea.

- California Science Centre
- Los Angeles Hollywood
- Venice Beach and Santa Monica Pier
- Griffith Observatory and planetarium
- Universal Studios
- Fossil Tar Pits
- Washington Smithsonian Museums
- USS Intrepid
- Broadway show
- Spy Museum
- Disney California Adventure and more ...
